**Québec City, May 27, 2019** – This summer, the hip-hop world will be watching Québec City! The FEQ is pleased to add **Jazz Cartier** and **Gucci Mane** to the traditional hip-hop lineup on the Plains of Abraham's Bell Stage. The hip-hop night featuring **Logic** and also starring **Lil Pump**, will see these 4 rap heavyweights perform one after the other. The party will continue at the Manège militaire with the popular group **Alaclair Ensemble**, one of the first names revealed for the **After FEQ** series, new this year!

### **The biggest hip-hop contingent in FEQ history**

In addition to the big rendezvous on the Plains, starting July 8th the Loto-Québec Stage will host **TOBI**, **Leikeli47** and new sensation **A Boogie wit da Hoodie**. The Impérial Bell will go one further on the 11th with **Obia le chef** and **Souldia**, and on the 13th the best of Québec hip-hop will thrill Place George-V, when for the first time at the FEQ, starting at **3 p.m.** a volley of continuous shows will take place on the Loto-Québec Stage, featuring **Vincent Biliwald**, **D-Track**, **Robert Nelson**, **Sans Pression**, **Naya Ali**, **Koriass** and **Loud**. Also note that the July 12th After FEQ, starring **Alaclair Ensemble**, will continue on as a DJ set at 12:45 a.m. with two members of the group **Vlooper** et **KNLO**.

“The demand for hip-hop is huge. In this sense, we know that our programming will please many people. Devoting a day to Québec rappers seemed essential to us. Québec is fertile ground for hip-hop and many talents have blossomed here”, underscores Louis Bellavance, Director of Programming.

This 52nd edition will be the most hip-hop Festival d'été de Québec ever, which is sure to make fans very happy!
